Technology

Bytes Inc., a full-service information technology outsourcing firm, announced the addition of two members to its advisory board: E.J. Conrad and Reuven Rubinson.

Conrad, founder and CEO of Island Staffing, has been involved in the IT and engineering staffing industry since 1989. His experience includes successfully starting up branch offices and leading teams to multimillion-dollar run rates.

Rubinson, a financial executive, brings expertise in raising capital and developing and implementing accounting, internal control, and data processing systems.
